

Child's Name:

Year 4 - Maths Targets

Number and Place Value

I can count in multiples of 6, 7, 9, 25 and 1000

Number and Place Value

I can find 1000 more or less than a given number

Number and Place Value

I can count backwards through 0 to include negative numbers

Number and Place Value

I can recognise the place value of each digit of a 4 digit number (thousands, hundreds, tens and units)

Number and Place Value

I can order and compare numbers beyond 1000

Number and Place Value

I can round numbers to the nearest 10, 100 or 1000

Addition and Subtraction

I can add numbers with up to four digits using the formal column method

Addition and Subtraction

I can subtract numbers with up to four digits using the formal column method

Addition and Subtraction

I can solve two step addition and subtraction problems using different methods and explain why I used them

Multiplication and Division

I can recall times tables facts up to 12 x 12

Multiplication and Division

I can multiply two digit and three digit numbers by a one digit number using a formal written method

Fractions

I can recognise and show, using diagrams, families of common equivalent fractions

Fractions

I can count up and down in hundredths and know that dividing and object by 100 creates hundredths as does dividing tenths by ten

Fractions

I can round decimals using tenths to the nearest whole number

Fractions

I can solve simple money and measure problems involving fractions, and decimals with up to two decimal places

Properties of Shape

I can compare and classify geometric shapes, including quadrilaterals and triangles, based on their properties and sizes

Properties of Shape

I can identify lines of symmetry in 2-D shapes presented in different orientations

Position and Direction

I can plot points I am given and draw sides to complete a given polygon

Measurement

I can convert different units of measurement e.g. I can convert kilometres into metres or hours into minutes

Measurement

I can measure and calculate the perimeter of a rectilinear figure (including squares) in centimetres and metres

Measurement

I can find the area of rectilinear shapes by counting squares

Statistics

I can solve comparison, sum and difference problems using information presented in bar charts, pictograms, tables and other graphs

I have achieved all my targets!
