

Dear God

Listen to our voices as we praise your holy name,

We thank you for our South Bersted school family,

We are grateful for our education which enables us to aspire
and succeed in our lives.

Thank you for the opportunities given to us in school and the
freedom to stand up for what we believe in.

Lord, we ask you to give us the strength to persevere when
we face challenges,

Remind us to think of others and the struggles faced around
the world,

Bless our school family and our wider family across the
community.

Amen
