

Home Learning Challenges

Year 5

Daily Tasks

Try to tick off as many of these activities as you can each week as part of your learning from home.

Reading:

Aim for at least 20 minutes per day:

Fri Sat Sun Mon Tues Wed Thurs

English

Answer the following questions linked to picture. This will help you for next week's learning.

V – what nouns, adjectives, verbs can you create from this picture?

I – how would the astronaut be feeling?

P – what might the astronaut be thinking?

E – why does the astronaut need a spacesuit?

R – how did the astronaut get to this location?

S – summarise what the astronaut is doing.

Maths

Log onto Times Table Rock Stars and enter the class battles!

How many points can you earn to help your team?

Develop your arithmetic skills

Complete these calculations and then complete some of your own.

- 1) 2.4×10
- 2) $3/5 + 1/5$
- 3) $8 \div 10$
- 4) $4.54 + 2.3$
- 5) 64×3
- 6) $234,516 + 12,765$
- 7) $54,965 - 34,574$
- 8) $9/10 - 3/10$

Whole School Challenges

Developing a Growth Mindset!

The Power of Mistakes!

This week, I would like you to watch the second video in the series:

Answer the following:

https://www.youtube.com/watch?v=9wngwccp9v0&list=PLWkTMA0Qm70p275UjghwGkrf_E8Indec18Kufcnu8&app=desktop

1. What was the competition that he wanted to enter?
2. Why did he think he would be unstoppable?
3. What does the adverb furiously mean?
4. What was the challenge that Mojo faced?
5. What did he learn about making mistakes?
6. Can we really learn from mistakes?

Challenge:

In learning from mistakes, practice drawing your own version of Mojo. Divide your page into 4 sections, create four images improving one each time!
