

Year 3 Victorian School Day

When is it?

Tuesday 17th November 2020

What is it?

We would like the children to experience what school would have been like during Victorian times. Victorian lessons will be taught and children will complete work using Victorian methods such as chalk and slate for recording.

Children should come to school dressed as a Victorian child on **Tuesday 17th November**. Costumes can be as simple as you wish, (please see below photographs for ideas). We would not expect you to purchase a costume especially for this. If you feel you may have difficulty providing a costume, please do speak to Mrs Raynsford as soon as possible.

Why are we doing it?

For the children to experience what schooling was like in Victorian times. We will compare the differences with life today.

If you have any questions, please speak to Mrs Raynsford.
