3rd December 2020

Dear Parents and Carers

Technology Survey / Remote Working

Although we hope that the majority of our children will now have an uninterrupted experience, there is the possibility that an individual child, a class bubble, or indeed the whole school, will need to self-isolate for a period of time. We have therefore put in place a plan for remote learning so that all children can continue with their education.

Our plan for remote learning can be found [here](#).

As part of our approach to remote learning, it is important that we have up to date records of the technology children are using to access their work. With Christmas just around the corner, a number of family members or children maybe receiving tablets or other devices as presents.

Please complete the questionnaire to confirm the technology your child will have access to from Christmas onwards, **by Thursday 10th December** so we can update our school records. If you have more than one child in the school, please complete this for both children. The link to the questionnaire is below:

[Technology Survey - December 2020](#)

Thank you for your support.

Yours sincerely

Mr Noel Goodwin
