Dear Parents and Carers

Support for Families

A number of our families are having to self-isolate following positive test results. This causes those families a number of challenges. Financial advice and practical support is available to help those who have to self-isolate and cannot work. Families who need additional support can contact the West Sussex Community Hub seven days a week on 033 022 27980.

Due to a number of changing factors, I also wanted to make you aware of the following food postings, collection times and locations:

Location/Address	Days	Time
