4th February 2021

Dear Parents and Carers

Remote Learning Questionnaire

Over the past five weeks, a large proportion of pupils have been accessing remote education, including those that have needed to isolate. Adults across the school have been delighted with the levels of engagement and the quality of the work that has been sent in via our two platforms. To allow us to continually review our approaches, I have created a questionnaire which should take no more than 5 minutes to complete.

I am aware that different schools will be taking different approaches to remote learning and this is based on each school's context. At South Bersted Church of England Primary School, our aim is that all children have access to high quality remote education in line with their curriculum.

The questionnaire will remain open until 4.00pm on Monday 8th February. Please follow the below link to access the questionnaire: [Home Learning Questionnaire](#)

If you have two or more children accessing remote education, could you please complete a questionnaire for each child.

For further information on our approaches, please visit the school's [Remote Learning](#) page on our website.

Thank you for taking the time to complete the questionnaire.

Yours sincerely

Mr Noel Goodwin
Headteacher
