Headteacher: Mr Noel Goodwin

19th March 2021

Dear Parents and Carers

E-Safety

Technology is hugely valuable for education, as well as a way to keep in touch with friends and family. However, it is important we all consider how we can support children's online safety. Over the past 12 months, children have used technology more than ever. In using technology, it is important that they know how to do so safely.

As part of our approach to teaching the children how to stay safe on line, PC Vicky Aldridge will be attending school on Wednesday 24th March.

PC Aldridge, will use our [SMART](#) approach to online safety as part of the sessions and provide pupils with the opportunity to ask a range of questions linked to staying safe online.

If you have any questions regards the session, please speak to myself.

Kind regards

Mr Noel Goodwin
Headteacher

West Sussex County Council
