

# LOST

Have you seen our missing books?

**Has your child borrowed a book from school  
and forgotten to return it?**

There are still many books which are missing  
from our library and classrooms.

These books may be sitting on a bookshelf in your child's bedroom,  
or in a cupboard somewhere else at home feeling unloved, unwanted  
and forgotten. Please could we ask all parents, carers (and children) to have a  
good look at home for any lost and lonely school books and return them to us.

These books can then be made available for other  
children to use. Thank you.
