Dear Parents & Carers

Year 6 Bikeability Training

We are pleased to advise that your child will be taking part in Bikeability Training at school, during the week commencing **Monday 21st June**. The training will take place in small groups of two children to one adult.

Each child will have a 2-hour session, between Monday and Friday, day to be advised.

All children will need to have their bicycles and cycle helmets in school for the day of their training. We must ask you to ensure your child's bike is fully roadworthy and that their cycle helmet fits them correctly.

Your child's consent form will be sent home on Monday 7th June and we would ask that the form is returned promptly. Training cannot be provided for children without a signed consent form, correctly fitting cycle helmet and roadworthy bike.

Please do read the Cycle Right booklet and letter, from Bikeability, accompanying this letter, with your child to make them aware of what the training sessions will cover.

If you have any concerns about your child not having a bike or helmet, or if you do not want your child to participate, please contact the school office.

Yours faithfully

South Bersted School
