Dear Parents and Carers

## Phonics Reading Books

Your child will be coming home this week with a phonics reading book as well as their normal reading book. The phonics book will clearly be marked with a sticker on the front cover. This book has been selected for your child by the class teacher and it covers the sounds that your child has been learning in phonics during this week.

Children should read their phonics book at home to you during the week. They will then change it on a Friday during their phonics lesson. They do not have to read both their books in one reading session but they can mix it up so that some days they read their scheme book and some days they read their phonics book.

When reading their phonics book, they should be able to spot the sounds they have been learning during the week within the story.

Thank you for your support on this. If you have any questions please do contact your child's class teacher.

Yours sincerely

Mrs Gabb  
Phonics Subject Leader

West Sussex County Council
