

Outdoor Learning Day Reception Class

Tuesday 20th July

Tomorrow we will be holding an Outdoor Learning Day with a focus on Summer. We will be spending most of the day outside taking part in activities including a flower hunt, summer art work and pond dipping.

We therefore ask that the children come to school in normal school uniform but wear trainers instead of school shoes.

It is also very important that all children have had sun cream applied before school. Please provide a named bottle of sun cream for your child so it can be reapplied during the day. All children must also have a hat with them.

If you have any questions please do speak to Miss Stanton.

SUMMER
