Although our site will be closed to ensure the safety of children and staff, the teachers will be putting work on Google Classroom.

As well as the work that your child's class teacher is setting, there are also a number of other tasks that they can access:

How can I learn more about how Google Classroom works?

To learn more about how to access the learning and how to turn in work, please watch the video on the school's website by Mr Thorn: <https://www.southbersted.co.uk/home-learning/remote-learning/>.

What if my child cannot remember their log in?

Please Dojo your child's class teacher who will be able to access this for you.

Are there additional learning resources?

On the school's website, you will also find a range of additional activities on the [Kid's Zone](#).

Are there activities that can take place away from the screen?

Yes! There are a number of [Screen Break Activities](#) on the school's website.

I would like to take this opportunity in wishing you a relaxing and safe half term.

Yours sincerely
