### Planning, Preparation and Assessment (PPA):

Each week, teachers have time away from their classroom to undertake planning, preparation and assessment activities, referred to as PPA. At this time, we are planning that this will be covered by Mrs Gabb and Mrs Greateorex.

### Supporting Your Child's Learning:

To further support your child in making progress and consolidating prior learning, each teacher will be attaching a 'key concepts' grid to their Class Dojo page during the last week of the term. The aim of the grids are to support all pupils in returning to school confident in these key areas. The concept grid will also include a range of challenges linked to our transition text, Super Silly Museums.

### Google Classroom:

For pupils in Key Stage 2, their Google Classrooms will be archived and they will receive the login details for their new 'classroom' for September. For those pupils moving into Year 3, Mrs Raynsford will teach children how to use Google Classroom during the first two weeks of term.

All current Year 2 children will receive a Key Stage 2 Acceptable Use Policy which will need to be signed and returned before the end of this term, in preparation for September.

### End of Year Reports:

Next week, we look forward to celebrating your child's achievements with you, through their end of year report.

### Open Evening:

A reminder that all parents and carers are invited to an Open Evening on **Monday 18th July** between 3.30pm to 6.30pm. The open evening is an informal opportunity to attend the school so there is no need to book an appointment.

The purpose of the evening is to provide you with the opportunity to celebrate your child's progress by viewing and discussing their work. During the evening, your child's class teacher will be available, as will your child's class teacher for the next academic year. Please use this as an opportunity to meet with both teachers, as we celebrate the end of the current academic year and look forward to the next.

Yours sincerely
