Dear Parents and Carers

12 Rated Film (The Boy in the Striped Pyjamas)

As part of our work to create an engaging and exciting curriculum for your children, we are continuing our use of movie modules. This term, we will be reading the book, 'The Boy in the Striped Pyjamas' and using carefully selected clips from the film (Age rating: 12) to support this.

The clips shown will focus on Bruno's perspective of his new home and meeting Shmuel which will support the writing of scene descriptions and narrative extracts. Please note that during this module, we would like to show the end of the film, this will be done in conjunction with reading the book and the writing will focus on description and emotive language. Please note that although the ending of The Boy in the Striped Pyjamas is very powerful and hard-hitting, children will be aware of the ending of the story from reading the book. This module has been used in the past and has created some powerful work which enabled the children to make fantastic progress towards their end of year goals.

We would appreciate your support in our choice of module and encourage you to let your child participate, however, if you have any concerns or worries about the use of the film, please speak to me before Monday 9th January and I will be happy to show you the clips and discuss the learning objectives with you.

Yours sincerely

Mr Thorn
