TAKE A MOMENT HOME LEARNING:

As part of our focus on mental health we are encouraging everyone within our school community to Take a Moment each day to pause, breath, disconnect and reconnect to find clarity. For their home learning we are asking children to take a black and white photograph of your child, yourself or a family member taking a moment and send it into the school office via Class Dojo. We will use the images in school to create a whole school display

Please send your images in by **Wednesday 1st November**.
