Dear Parents and Carers,

Accelerated Reader Home Connect

We know many of the children like to log on to Accelerated Reader and quiz at home once they have finished a book. This is certainly something we want to encourage. We would like to introduce you to a new site linked to Accelerated Reader called Home Connect.

By logging on to this site your child will be able to see their progress and you will be able to sign up for email updates when your child completes a quiz. In this way you can keep up to date with your child's quizzing and it will give you opportunity to talk with them about why a quiz has gone particularly well or why they found one more difficult. You will also be notified when your child takes a reading assessment at school and you will be able to find out how they got on. These assessments take place regularly throughout the year.

The Home Connect log in page is below and looks identical to the previous Accelerated Reader page
<https://global-zone61.renaissance-go.com/studentprogress/homeconnect?t=2249145>

Log in details for the site are the same as for the Accelerated Reader site. If you are unsure of your child's details please ask their class teacher.

To complete quizzes at home your child will need to log in to Accelerated Reader at:
<https://global-zone61.renaissance-go.com/welcomeportal/2249145>

Please note this has been updated over the summer and any old links won't work.

If you have any further questions about Accelerated Reader or your child's reading please contact either your child's class teacher or myself

Yours sincerely,

Mrs Robson
