Dear Parents and Carers,

Safer Internet Day

As part of our approach to Safer Internet Day we are inviting parents and carers to attend a Safer Internet Workshop on Tuesday 27th February 2024 between 9:00 – 9:45am. There will also be a remote twilight session via Teams at 18:00 – 18:45pm on Tuesday 27th February 2024.

The morning session will have a maximum of 20 places. The aims of the workshop are for parents and carers to:

- Know the current trends in children's online activity,
- Know the concerns that parents and carers have,
- Consider the impact of social media on children's well-being,
- Consider approaches that will support your child when online,
- Consider your personal 'footprint' and the information you share.

To book your place please visit the Eventbrite links below for the session that you would like to attend.

Year 3 - Be Internet Legends:

Today, each pupil in Year 3 will be bringing home a Google Internet Legend character to build. Once the character has been built, log onto the Internet Legends platform and complete the challenges:

Each challenge provides an opportunity to learn and to discuss how to keep safe online.

Further information:

Further information on how to keep your child safe online can be found on the school's website:
