

SOUTH BERSTED CE PRIMARY SCHOOL SPORTS NEWSLETTER AUTUMN EDITION

TOURNAMENT WINNERS!

On Thursday 28th November our Year 3 and 4 football team went to Chichester University to compete in a tournament where they beat 14 other schools and took first place. They won their semi-final after a nail-biting penalty shootout, with all children showing perseverance and resilience when taking a penalty.

A special mention to Louie C, our fantastic goalie, who saved a penalty and got his hand to two more. We then went into the final with a positive attitude and worked as a team, battled hard, supported each other stayed positive and a fantastic goal from the left corner from Dexter meant we had won the game 1-0 and the whole Chichester and Bognor football tournament!

Congratulations due to our Year 3/4 football team!

YEAR 5/6 FOOTBALL

On Tuesday 12th November, pupils from upper key stage 2 competed in a locality football event.

“We worked well as a team, battled for each other and supported each other even through the ups and the downs” Jack Y6

“It was one of the best tournaments I have ever been to because I felt we scored more goals and worked better together” Marley Y6

LIONESSE LEGACY EVENT:

Tuesday 26th November

On Tuesday, the Year 3 and 4 girls that represented the school at the Lionesses Legacy tournament were a credit to themselves and South Bersted. They battled hard, tried their best, worked as a team and fought for every tackle. The girls won every single one of their games, kept a clean sheet throughout the tournament and spoke positively about each other. They could not wait to play more football when the tournament had finished! They finished top of their group and were presented with the ‘Best Teamwork’ award, chosen by The Regis sports leaders. Well done to our future lionesses!

“We won every game as well as the best teamwork award. I really enjoyed playing against other schools and I scored a goal!”
Lyla

NETBALL CLUB:

"I enjoy how we learn new things and how we are able to play netball matches now" Broly Y5

"I enjoy having fun at Netball Club as well as learning lots to prepare us for the matches so that when it comes to the tournament we have a chance to win!" Alisa Y5

YEAR 5/6 SMALL SCHOOLS TOURNAMENT:

On Tuesday 3rd December, we competed against fifteen other schools and finished in 3rd place! Fantastic performances in their group meant that they only conceded one goal and went through to the semi-final having finished top of their league. The semi-final was an excellent game that went to extra time and golden goal before finishing on penalties. We did not let the disappointment of losing the penalty shootout stop us and we went on to win the third and fourth place playoff with a resilient and determined performance to win by two goals to one!
