## **YEAR 3+4 GIRLS FOOTBALL TOURNAMENT TUESDAY 4<sup>TH</sup> NOVEMBER**

Our Year 3/4 girls' football team put on a fantastic display at the FAB Girls Football Tournament. They showed brilliant teamwork, listened to each other, made some great passes, and played with real confidence and determination, battling hard and scoring some excellent goals along the way. The girls now progress to the final against the Chichester winner. Well done, girls we are so proud of you!

Cynthia Y4- We were strong, we kept trying and I scored some great goals. We worked as a team and we scored 5 goals in one game! Now we are going to a final!

Lyla Y4- My favourite game was our last game against the toughest team. But we were strong and didn't give up and we won 2-0!

## YEAR 5 SMALL SCHOOLS TOURNAMENT TUESDAY 4<sup>TH</sup> DECEMBER

Our Year 5 Football Team competed against 15 other schools. Each team was split into two groups. After playing five games, we learnt that we had finished top of our group, qualifying for the semi-final.

In the semi-final we won 3-0 which saw us face a team we drew 0-0 within the group stage. After a tense game, the score was 0-0 and we went into extra time and then golden goal. Despite a number of good moves, the game ended in a draw and was decided by a dramatic penalty shootout.

A total of 9 penalties were taken. Louie L stepped up to score the winning penalty for the team! The victory means that the players now qualify for a further tournament in January!

“I really enjoyed it. I scored 4 goals. I liked taking part, especially because we won and it was even better to take home a medal”. Theo T

## CHILDREN AS LEADERS

### PALS

On 7<sup>th</sup> October we trained four new Year 4 pupils as our Playground Activity Leaders. This session involved spending time brainstorming the qualities and attributes that make a great PAL, discussing scenarios and how to effectively resolve them.

As well as using sport equipment to create simple and engaging activities to use during breaktimes for the younger pupils.

"It was really fun when we went to the Arena because I got to learn something new and now we are back at school I really like it because you get to play with the younger children and it helps them a lot". Teddy Y4
