24th June 2026

Dear Parents and Carers,

Due to the extreme temperatures, I wanted to make you aware that adaptations have remained in place. This has included the school using different spaces, using the shade and pupils and staff drinking lots.

I recognise that there are some parents that would like to collect their child(ren) earlier tomorrow. To accommodate this, there is an option for a 1:15 – 1:30pm collection.

This will work in the same way as the end of the day; children are to be collected from the classrooms where they will be signed out by their class teacher.

Please note, that children will not be permitted to leave the school unaccompanied.

For those not being collected early, the school will continue to operate with the measures in place and remain open to 3:15.

Work will be set for pupils via the Class Dojo app for Key Stage 1 and Google Classroom for Key Stage 2.

Thank you for your continued support.

Mr Goodwin
