Headteacher: Mr Noel Goodwin

29th September 2026

Good afternoon,

Cycle to school week runs from the 5th to the 9th of October.

In today's Collective Worship, we introduced the children to this year's Cycle to School Week.

Travelling to school actively is great for children's physical and mental health, it also helps to reduce pollution and road dangers outside of our school.

To encourage families to take part, we will be running a "Golden Padlock" competition which will run throughout the course of the week. To take part, all you have to do is simply cycle or scoot to school during next week. If your child finds the "Golden Padlock" on their bike or scooter at the end of the school day, they should take it to Mrs Evans to claim a small prize.

Our aim is to encourage as many children and staff as possible to get active! Which will directly build positive healthy habits that help our environment.

Yours faithfully,

Mr N Goodwin
Headteacher

West Sussex County Council
