Headteacher: Mr Noel Goodwin

Dear Parents and Carers,

My Digital Child Workshop

Through our work with the Dedicated Schools Team, we would like to invite you to an online safety workshop.

With Christmas fast approaching, we know that a number of children may be receiving new devices and we want to offer this workshop to support our parents and Carers.

This workshop is designed to provide parents with an understanding of the risks and challenges of the online world and in the setting of appropriate boundaries to help keep children safe when online.

It also aims to keep you informed about current online concerns and encourage healthy, open conversations with children about what they encounter online.

When: 23rd November 2026 @ 14:00 – 15:00

Where: The School's Meeting Room

If you would like to attend this event and so we are aware of numbers, please book before the 16th of November 2026. You can do this via MCAS, you will find this under the Products tab.

If you have any questions at all, please do contact the office.

Yours faithfully,

Mr N Goodwin
Headteacher
